

THE KINGDOM OF GOD

17th May 2026 Written and read by Stephen Pointer

Good morning everyone, I will start from the very beginning by lighting our chalice candle, as a symbol of our free religious faith, and to indicate that everyone is welcome here regardless of whatever your beliefs or non beliefs, and also to shine a little light, so that we can see a bit clearer.

Today is going to be a bit different to usual, so if you are new, visiting or watching on the internet, and want to find out what this wonderful church is really about, then maybe come to next weeks service as well, to see what a normal unitarian service is like.

This church exists to serve the local environment, but can only do so with our help, so we don't make a big deal about this, but there is a container here for donations, which you can give generously at the end of this service, if you so desire. There will be teas, coffees and refreshments at the end, so please stay and chat when this service is over, everyone, and we mean EVERYONE is welcome here.

A small disclaimer today as the church leaders have generously given me this opportunity to speak this morning. This will probably be my first and last time that I get to speak, so I am going to make the most of it. What I say this morning is entirely my thoughts and opinions, and not the views of this or any other Unitarian church. If what I say this morning offends you, then please understand that this is not my wish. I am autistic and just blurt out what is going on in my crazy little brain, so please don't be offended, this is not my intention. I process information differently than most people, and I have the habit of joining dots, seeing patterns, and making connections. Sometimes these are just pure coincidence, sometimes I see things that were never there to begin with, and sometimes I see connections that might be new, or even interesting to some people. But today I want to talk about how my autism has affected me as I read The Holy Bible since I have left Christianity.

THE KINGDOM OF GOD

The kingdom is the King's domain. A domain or dominion is the place where the king rules you from.

A King was always a MALE leader, the first born SON of royal heritage. Royal is to rule, so HE rules over YOU. Even if a daughter was born, but later on a SON was born, then this MALE would eventually become the ruler, the one to reign over us, so the SON is important.

In Hebrew the word ABBA means Father. A=aleph=beginning or leader, as in alpha bet or alpha male, whilst B=beth=house. So A+B, aleph plus beth = the leader of the house, ABBA, the Father, the king in his domain to rule over you.

The MALE child would inherit the kingdom, the SON would be the heir to the Kings domain.

Now in this country we do not have a National Anthem as an anthem for our nation, instead we proudly and passionately belt out the lyrics to a song which petitions God Almighty himself to protect and bless a MAN, the man who reigns over us. We also ask if he can continue to rule and reign over us for a very long time! Why would we do that? Why would we hand over our sovereignty to another MAN. This King which we are so desperate to be slaves under, and who we plead with God to save, protect and prosper. This king, this flesh and blood MAN who says that he has the God given right to rule over us, is only King because he was born into the Royal family, the ruling family. He is no better than you or I, so why should he rule over us? But he was the first born SON and HEIR into the Kings domain, the place where he can rule you from. He is the SON and HEIR and he REIGNS over us.

Some words are changed or spelt differently by accident over time, but some words are spelt differently to distract or to confuse us. But this King tells us that he is divinely appointed by God in heaven, so that HE can rule over US, he is the SUN, the AIR and he RAINS over us. Rain doesn't come up from the ground, it falls OVER us from the heavens, the AIR comes from the heavens, and the SUN is high and exalted in the heavens, your royal HIGHness. This is all a metaphore of NATURE, as the Egyptian Gods and RULERS were called The NETJER. This is Nature, fire, volcano, thunder, life and death is all Nature, just like the sun, the air and the rain is Nature. No one is supposed to reign over you. King Charles III is no more special than you or I, but he was born into the ruling family, he represents the sun and air and rain, which all come from Heaven, so he tells us that God from heaven, has appointed him. This situation, this way of thinking, is his domain, it is where he controls you from.

As we have discovered in this wonderful church, holidays are Holy days, times which we observe the seasons, when we SEE the SUN doing different things at different times, seasons. This is Nature, we can observe it, we can learn from it, but we do not worship it!

You are a separate sovereign state, you are not to worship a king, and you are not to be reigned over or ruled over by a religion or by a MAN! Sovereign means a supreme ruler, that is YOU, no one should ever rule over you. Your body is a temple, your body is the kings domain, the kingdom of God is within you.

Charles is the king on earth who represents the sun, air and rain, nature which comes from heaven. He says that he has the God given right to rule you, but only if you don't realise who and what you are. You are sovereign, the kingdom of God is within.

In the beginning God created the heavens and the earth. He separated the waters, evening and morning the first day. He created the land, it was good, created the plants, it was good, created the animals, it was good, created MAN, it was VERY good! There is something special about MAN. God did not make man in his own image, God made man out of the physical earth as a physical being, just as God made Adam OUTSIDE the garden, and then, later brought him into the presence of God. God BREATHED up Adam's nostrils and then this man BECAME a living soul, now God has made this man into his image. Adam was made as a physical man, and THEN God turned him into a living soul - soul is a word for the sun.

The Hebrew word for breath is RUACH, this can also refer to wind or SPIRIT, an invisible force moving through the atmosphere. So God breathing into Adam could also refer to God putting his spirit into this physical human, mixing spirit into flesh and creating a new substance, a living soul, Emanuel.

Adam had to be born first so that he had a physical nose, otherwise God could not have breathed up it! Born physically, and then born spiritually, born again. MAN and God are now mixed together within the same body. The real meaning of Emanuel is God and Man together. Adam was God inside a flesh and blood body after God had breathed, or put his spirit into this physical body, then the Bible says that man had BECOME a living soul. THE SOUL OF MAN, as Solomon represents wisdom.

Jesus was called Emanuel as most Christians recognise that Jesus was 100% man AND 100% God at the same time, the true son of God, however, Adam was called the son of God before Jesus was, and Jesus is often referred to as the second Adam!

FIRST SONG Hymn Number P 158

READING

GENESIS 17 Verses 1-5 & 15-16

Also GENESIS 18 VERSES 1-4 & 9-16

And when Abram was 99 years old, The Lord appeared to Abram and said unto him "I am the Almighty God; walk with me and be thou perfect. And I will make my covenant between me and thee and will multiply thee greatly. And Abram fell on his face and God talked with him saying, As for me, behold, my covenant is with thee and thou shalt be a father of many nations. Neither shall thy name anymore be called Abram, but thy name shall be Abraham for a father of many nations, I have made thee.....And God said unto Abraham. As for Sarai thy wife, thou shalt not call her name Sarai, but Sarah shall her name be. And I will bless her and give thee a son also of her: yea I will bless her and she shall be a mother of nations; kings of people shall be of her....."

And the Lord appeared to Abraham in the plains of Mamre and he sat in his tent door in the heat of the day. And he lift up his eyes and looked, and lo, three men stood by him: and when he saw them he ran to meet them from the tent door and bowed himself toward the ground. And said My Lord, if I have found favour in thy sight, pass not away, I pray thee, from thy servant. Let a little water I pray you be fetched, and wash your feet, and rest yourselves under the tree.....And they said unto him Where is Sarah, thy wife? And he said Behold, in the tent. And he said I will certainly return unto thee, according to the time of life: and, lo, Sarah thy wife shall have a son. And Sarah heard it in the tent door, which was behind him. Now Abraham and Sarah were old and well stricken in age; and it ceased to be with Sarah after the manner of women. Therefore, Sarah laughed within herself, saying, After I am waxed old shall I have pleasure, my lord being old also? And the Lord said unto Abraham, Wherefore did Sarah laugh, saying, Shall I of a surety bear a child, which am old? Is anything too hard for the Lord? At the time appointed I will return unto thee According to the time of life, and Sarah shall have a son. Then Sarah denied, saying, I laughed not; for she was afraid. And he say, Nay but thou didst laugh. And the men rose up from thence, and looked towards sodom: and Abraham went with them to bring them on the way.

There was a MAN called Abram, AB=Father, and his wife Sarai. God breathed, or put his spirit into Abram, who got born again as Abraham, with a H for breath. God also breathed or put his spirit into Sarai, who BECAME Sarah with a H for breath. Born again, born spiritually with new names. This Abraham now understands what he had forgotten, that he is man and God mixed together in one flesh and bone body, Emanuel, the kingdom of God is within him, just like Adam. This Abraham meets three MEN and is desperate to commune with them. However, two of these MEN leave, and two angels turn up at Sodham and Gomorrah, These angels were MEN, these MEN were angels. Abraham is now left talking with one MAN, but he knows that MAN is God dwelling within a suit of flesh, so Abraham knows that this is God and he makes a deal: not 50 men, not 40, not 30 etc.

God breathes, or put his spirit into Adam, and MAN becomes the Godman, a living soul. God breathes into Abram, who BECOMES Abraham, who has the knowlege, the WISDOM of the living soul of man, Abraham knows that God lives inside "human"bodies.

Sarai and Abram could not have children, but Sarah and Abraham being God in human form, could, miraculasly, Isaac who in turn fathered Jacob who BECAME Israel. Isaac and Jacob would have this knowledge, this wisdom of the soul of man. That God breathed into Adam and MAN became a living soul, just as God breathed into Abram and Sarai, their parents and grandparents. Isaac and Jacob would understand the God is man, and that man is God mixed together, Emanuel, spirit residing, dwelling within its physical DOMAIN.....THE KINGDOM OF GOD IS WITHIN!

READING

GENESIS 32 VERSES 22-30

That night , Jacob got up and took his two wives, his two maidservants and his eleven sons and crossed the ford of the Jabbok. After he had sent them across the stream, he sent over all his possessions. So, Jacob was left alone, and a man wrestled with him till daybreak. When the man saw that he could not overpower him, he touched the socket of Jacob's hip so that his hip was wrenched as he wrestled with the man. Then the man said, Let me go, for it is daybreak. But Jacob replied, I will not let you go unless you bless me. The man asked him What is your name? Jacob answered. Then the man said Your name will no longer be Jacob, but Israel, because you have struggled with God and men and have overcome. Jacob said Please tell me your name. But he replied Why do you ask my name? Then he blessed him there. So Jacob called the place Peniel. Saying It is because I saw God face to face and yet my life was spared.

Jacob had 12 SONS from various relationships, and these sons had families, the 12 families of Jacob.

One day Jacob was out with his family and he decided to PASS OVER the brook at a place called PENIEL. After he had PASSED OVER from one side to the other, Jacob met a MAN and they wrestled until daybreak. As they were wrestling or struggling this MAN touched Jacobs hip and miraculously dislocated it! But they carried on wrestling, Jacob would not let go. This MAN told Jacob to stop struggling with him, and to let him go, but Jacob would not let this MAN go unless the MAN blessed him. This MAN blessed him with "You have struggled with GOD AND MAN and have overcome" This MAN told Jacob that he was now born again and has a new name he is now called ISRAEL wrestles with God or Struggles with God.

Jacob who is now called Israel, says I am truly blessed as I have seen God face to face and lived. Jacob saw a MAN and he knew that it was God. Jacob struggled with God and man, but has now overcome-this is the meaning of Israel, the wisdom of Solomon is the knowledge about the soul of man. Jacob struggled with God and man but he now remembers that God is man and man is God, Emanuel.

Jacob became born again at a place called Peniel where he got a new name, Israel, so the 12 families of Jacob became the 12 tribes of Israel all having this wisdom, this knowledge that God is man and physical man is mixed together with spiritual God in one vehicle, this vehicle, this vessel, this body is where the king dwells, it is the kings domain.

THE KINGDOM OF GOD IS WITHIN

In the book of John, Jesus said that he would destroy the temple and rebuild it in 3 days. The Bible itself tells us that he was talking about his body, as, in fact Jesus' body was destroyed and reurrected 3 days later! Jesus says that your body is a temple. 1 Corrinthians also says that your body is a temple. Who lives in the temple? It is the house of God, God lives in the temple it is his domain, and your body is a temple. this is where God resides, inside your physical body, this is the kings domain, the kingdom of God is within you!

Luke says that you cannot find the kingdom out side, it is not here or there.

If your physical body is a temple, and Jesus and the bible say that it is, your body is portable, a portable temple. Emanuel, God and man mixed together in this physical world. The tabernacle was a portable temple which housed the ark of the covenant. This ark was a wooden CHEST, covered in gold and carried on wooden staves, as it was portable. ***Inside this CHEST were the 10 commandments on tablets of stone, Arrons rod, some mannor and the very prescence of God*** This ark, this CHEST was a vehicle, a portable container of God. It rested temporarilly in the tabernacle which was a portable temple. Your body is a portable temple which can move around in this physical dimension. The prescence of God, YOU-SOUL reside within it, your body is the kings domain, your body is a temple. The kingdom of God is within you!

The 10 commandments were written on tablets of stone, but Jesus says in 2 Corrinthians that he no longer writes his law upon tables of stone, but upon the very flesh of your heart.

In new age mystical thinking and many other belief systems the Kundalini serpent of wisdom rises up through your physical body weaving inbetween your chakras which are spinning wheels of energy inside your body. The 3 lower chakra are bases upon your physical life, lust, reproduction, digesting physical food and protecting physical organs, while the top3 chakra are spiritual, speaking, thinking at your pineal gland, and the heavenly chakra outside of your physical body. But these 3 above and 3 below meet in the middle at your HEART chakra, represented by a triangle for the 3 coming down from spiritual heaven and a triangle for the 3 rising up from physical earth. Your HEART chakra is right in the middle of your body/temple halfway between God in heaven comming down to mix together with man on earth, as above so below, as below so above. One triangle going up from physical earth to mix togehter with one triangle comming down from God in heaven to mix with man, Emanuel 2 triangles mixed together to create one new image, a star. Our sun is a star, and our sun is SOL/SOUL. Solomon=the living soul of man, the temple of Solomon is your body housing the living soul of man, represented by this emerald 6 pointed star chakra in the centre of your body or temple.

This HEART chakra is green, as in emerald, this is to replace the old tablets, and is emerald as in the Emerald tablets of Thoth. This part of your body is called your CHEST, the ark which contained the tablets was a CHEST, your body is the temple. The ark of the covenant, the covenant was God's promise, a covenant between God AND man, never to leave you or forsake you....he can't because he IS you. David says in Psalms "where can I go to to escape your presence? if I go to heaven you are there, if I go to Hell you are there". Is David saying that God lives in Hell? No, but every where his physical body goes, God is there WITH him, they are together, David cannot escape God's presence, God cannot leave you or forsake you, "you" are mixed together. Your body is the temple, and God dwells within the temple, the kingdom of God is within.

This heart chakra IS the image of Israel, Jacob knowing that God is man and MAN is God. It is known today as the Star of David, but is often called The Seal of Solomon, the soul of man. A star is a sun, a sun is sol or soul. God breathed INTO Adam and MAN became a living soul. The soul of man. Solomon represents wisdom. Kundalini is a serpent, the serpent represents wisdom....be as wise as serpents, but as innocent as doves.

A 3 or even 4 dimensional version of this image, the star of David, the seal of Solomon, the image of Jacob/ the flag of Israel/ the emerald heart chakra, as above so below, is called a Merkaba. Some new age practitioners say that they use a Merkaba to travel to other dimensions, other places, like a vehicle which is portable. Just like the ark, just like the tabernacle was a portable temple, just like your body is a portable temple.***Merkaba means chariot, just like Elijah was taken up to heaven in a chariot, like Horus moves across the sky/heavens in a chariot. El is word meaning God, and Jah or Jehovah means I AM. Elijah symbolises I AM GOD and gets taken without death straight to heaven in a chariot, in a Merkaba. But MER-KA-BA comes from 3 words with the Ka and the Ba coming from the ancient Egyptian belief system where Ka is the physical body being mixed together with the Ba, the spirit. The Sun is Sol or Soul, and is light, so MER-KA-BA is your light spirit body, the soul created by mixing the body together with the spirit, just like Adam, God breathed up his nose to create a living soul, just like Abram God breathed on him and created Abraham.

You are not "you", you are not a physical body, but YOU live inside a physical body, it is YOUR body, it belongs to you, you are not your body, but your body is a temple and "you" live inside it, the kingdom of God is within. Your body is a portable temple, a chariot, a body for the light spirit to move around within this physical dimension, from one place to another, just like the ark, just like the tabernacle. Your body IS the Merkaba, your body IS the ark, your body IS the tabernacle, your body IS the temple. It IS the king's domain, the kingdom of God is within your body!

We know that Jacob who BECAME Israel would have had this wisdom of the soul of man, that God is man, and man is God being mixed together, Emanuel, from his Grandfather Abraham, but he also understood it personally after struggling with a MAN at a place called PINEAL. Apparently, Jacob left the physical human bodies on one side while he PASSED OVER the brook at PINEAL, being delivered through waters is a sign of new birth.

Your brain has 2 SEPERATE hemispheres, the left AND the right side, the male AND the female side, the logical AND the emotional side, the physical AND the spiritual side. These are joined by the Corpus Collusum***and right in the middle is your PINEAL gland. This is also your 3rd eye (single eye) chakra the last one inside your physical body! If you were to PASSOVER from one side to the other side, from your physical side to your spiritual side, it would be at your PINEAL gland, Jacob, or Israel PASSED OVER (passing over refers to physical death), he left physical humans on one side and met the Godman on the other side at a place called PINEAL. Scientists have said that this part of your brain generates spirituality. Jacob BECAME born again, he became Israel and saw God face to face, as a man sees a friend, at a place called PINEAL!

Your PINEAL gland is tiny and represents a pine cone, hence its name. It is the 3rd eye, single eye chakra, it is the eye of Horus, the all seeing eye of God, it is at the very centre of your brain mixing the 2 hemispheres together. If God were to breath up your nostrils his breath would go directly to your PINEAL gland, Just like Adam.

The serpent is wisdom or knowledge, the dove is spirit or innocence, be as wise a serpents, but as innocent as doves. Only the pure, only the innocent will see God. This is your INNER SENSE, your inner self, the real "you". You can use your spiritual eye to look within, to acces your inner sense, to look within, the kingdom of God is within.

You have 2 physical eyes which look out there at the physical realm, but Luke tells us that the kingdom is not out there. But you can use your 3rd eye, your single eye to look within at your inner sense. The kingdom is within. Who are you? What are you? Remember who you are, not physical, but spiritual. You are a SOUL, a living soul of man, just like Adam just like Abraham, just like Jacob who BECAME Israel.

if your eyes are dual, left and right, you look out there and see physical reality. If your eye be single, you can look within and see who/what you really are, you are a living soul. THE KINGDOM OF GOD IS WITHIN YOU! If your eye be single then your whole body is full of light. The sun which generates light is called SOL. God breathed up Adams nostrils right into his PINEAL gland and man BECAME a living Sol. Full of Sol, full of light. Your body is a temple, use your single eye, your 3rd eye chakra, the eye of Horus, the all seeing eye of God, your PINEAL gland to look WITHIN the temple and see that the kingdom of God is within!

SECOND SONG Hymn Number G 40

Alchemy is the turning of base metals, lead into heavenly gold. Chemistry can be described as mixing 2 separate items together to create a 3rd new separate substance. God breathed spirit into Adams physical body and man BECAME a living soul, sol. This is the soul of man, Solomon =wisdom. Just as Sophia=wisdom in Gnostic belief. God, being El, as in Elohim, or Al as in Allah and Kem was an ancient name for the land of Egypt. So EL KEM Y, or AL chemy, is the gods of Egypt being created by mixing 2 separate things together to create a new substance, human men with animal heads!

In Egypt, KA was referred to as the physical body and BA was the spirit substance, and you have to mix the Ka and the Ba together. Man from the dust of the ground with God the spirit from heaven together, which creates YOU a living soul. That is what you really are. You are not a separate physical body searching for a spiritual god out there, but the real you, your body is a temple, your body is the Kings domain, the kingdom of God is within. Your body is a temple of the soul of man, the temple of Solomon, where the ark of Gods covenant resides, I will never leave you or forsake you, I AM YOU!

This knowledge of the soul of man is the wisdom of Solomon. The WISEmen are the MAGI. Magicians are WISE-ARDS wizards, who do miracles, make MAGIC, the spiritual leaders priests. The law giver is the MAGIstrait and the physical leader, the King is the MAGIsty, 3MAGI or 3kings, or 3 wise men these are who see salvation come to the human race. Hermes TRIS-MAGIstus, 3 MAGI, is the 3 initiates philosophy to show mans salvation. These are all the same thing but at different times in different cultures, so they appear as different stories and symbols, but they all say the same thing. GOD+MAN=SOUL, and this soul or sol lives within your physical body. If it is YOUR body, then it belongs to you, so you are not your body, but, you, the REAL you lives within this temple of flesh and dry bones.

Alchemy is the gods of Egypt and the ancient Egyptians had this concept of KA and BA. KA refers to the physical body, as in KAdaver, while BA is the spiritual side of things. The physical mixes together with the spiritual to create the real you, the you that you are right now, but have forgotten! Not God in Heaven above and Man separate below on Earth, not spirit separated from body, but the Ka and the Ba mixed together as one to create a living soul. If you mix the alchemy of Ka and Ba together, you get, abraKAdaBAra, the MAGIC from the Magi. abBAthe Father in heaven into the KAdaver, man on earth, Abba-kadaver, magic. Alchemy, God and man Emanuel a living soul of man Sol the sun in the sky and man on the ground, Nature, Netjer, alchemy Hermes TRIs Magistus, the 3 wise men, the wisdom of Solomon, these are all saying the same thing as Adam, Abraham, Jacob, Israel, and Jesus. The living soul of man living within his temple.

Ford have a car called Ka, which is hilarious having a car called car, but it isnt. Car is spelt CAR, whilst this car is spelt KA, this KA is a vehicle for you to travel around this physical realm in, just as your body is a vehicle for you, the real you, to move around this physical dimension in, just as the merKAbA is a vehicle for you to travel around in, you are not your car, but you are inside it, you are not your body, YOU, the real you are WITHIN your body!

This KA and BA can also be found within Islam, as K+B=KuBe. The Muslims will walk around and around this cube creating a spiritual energy. This cube is at a place called Mecca, MER-KA and is actually called the KABA, quite literally the KA + the BA mixed together in Holy pilgrimage, as a spiritual experience. The Islamic god is often referred to as Allah, Ka + Ba= ALLAH. The mystical Jews have The Kaballah, this is mixing the Ka and the Ba to get Allah, mixing the body and the spirit together as one to access God, Ka + Ba = Allah, the kaballah.. Just as Hermes TRIs MAGIstus, the 3 initiates, the 3 magi the 3 wise men which herald Jesus or Salvation into this physical world. Hermetic teaching has The KA BA lion. KA+BA=SOUL.

The Star of David is the Seal of Solomon, the soul of man, it is the emerald tablets, it is the heart chakra right inbetween God up in heaven and man down on earth. It is the symbol of Israel who was Jacob, seeing God and man at PINEAL, this is your PINEAL gland, 3rd eye single eye, eye of horus who is the sun the sol. This symbol in 3 or possibly 4 dimensions is called a MERKABA. MER=light, KA=body, BA=spirit. This merkaba is your light spirit body, created by mixing the Ka with the Ba, spirit +body=light. the sun which is called SOL. So this Merka ba in new age meditation mixes the spirit into the body to create a soul. It is all the same thing mixing the KA and the BA.

God breathes INTO Adam and man BECOMES a living soul, just as God breathes into Abram and creates Abraham. The breath or spirit into the dry bones creates a great and mighty army.

Mixing the spirit of God into physical man creates YOU, a living soul, the soul of man dwelling within his temple, the temple of Solomon who was a wise man, a wizard, a wizard, a magi. This alchemy is magic, abracadabra, which brings Jesus or Salvation to mankind. Jesus real name was Yeshua which is Joshua in English meaning God redeems (to redeem is to take back), or literally Salvation, as Joshua led the ISRAELITES into the promised land, this Joshua saw God face to face as a man sees a friend, and lived, like Abraham saw God as a man, as Jacob saw God as a man and became ISRAEL because he struggled with God and man, and overcame this struggle. The Ka plus the Ba is alchemy from Egypt and Hermetic philosophy. It is Gnostic thinking it is the chakra system and the kundalini of the new age, it is Samahdi meditation, it is in Islam, it is in the old AND the new testaments of the Jewish and Christian Bibles. It is the eye of Horus, the all seeing eye, the single eye of occult secret societies. It is Jewish mysticism, it is the seal of Solomon it is the flag of Israel and it is the merkaba. This simple message has been hidden all over the ancient and modern world. You are sovereign, NO ONE is to rule or reign over YOU. Your body is a temple, you are not your body, you are a living soul, the soul of man in a physical vehicle to move around in this dimension.

THE KINGDOM OF GOD IS WITHIN!

FINAL READING

These are all scripture references from the NIV & King James Bibles: Hosea 4, Genesis 2, Luke 3, Romans 12, John 3, Isaiah 14, Revelation 22, John 8, Matthew 5, John 2, Matthew 6, Luke 17, and John 14.

My people perish for a lack of knowledge.

And the Lord God formed man out of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.

Which was the son of Enoch, which was the son of Seth, which was the son of Adam, which was the son of God.

And be not conformed to this world: but be ye transformed by the renewing of your mind.

The Jews answered him, saying. For a good work we stone thee not; but for blasphemy; and because that thou, being a man makest thyself God.

Jesus answered them, Is it not written in your law, I said, Ye are gods?

How art thou have fallen from heaven, O Lucifer, Morning Star, son of the dawn.

I, Jesus have sent mine angel to testify these things in the churches. I am the root and offspring of David, and the bright and morning star.

Then spake Jesus again unto them saying, I am the light of the world.

Ye are the light of the world.

Jesus answered and said unto them, Destroy this temple, and in 3 days I will raise it up.

Then said the Jews, Forty and six years was this temple in building, and wilt thou rear it up in 3 days? But he spake of the temple of his body.

The light of the body is the eye: if therefore thy eye be single, thy whole body shall be full of light.

The Kingdom of God cometh not with observation. Neither shall they say Lo here! or lo there! for, behold the kingdom of God is within you.

At that day ye shall know that I am in my Father, and ye in me, and I in you.
